**Required Sections for E&M Final**

**Chapter 7:** Sections 1&2 for plane waves and polarization. Section 5 A, B, C. Section 8 and 9 in preparation for section 10 especially part D.

**Chapter 9:** Sections 1, 2 & 3 for reference for what follows in Sections 6, 7, 8 & 9. Section 10 is for reference.

**Chapter 10:** Section 1 all parts, Section 2 parts A & B which lead to Sections 3, 4 & 6. Reference Section 10 in order that section 11 can be followed.

**Chapter 11:** ALL

**Chapter 12:** ALL except sections 5, 8 & 9.

**Chapter 14:** ALL except section 7.

**Chapter 16:** Sections 1 – 6.

Review the homework problems and prepare an 8 by 11 sheet of formulas to use on the exam.

If you have questions come and see me or email to arrange a time.

Good luck.
